

Concentrated Glass & Surface Cleaner

9020

Description

This concentrated glass cleaner effectively removes dirt, dust, fingerprints, and other light soils for a clear, streak-free finish. Its ammonia-free formula contains no solvents or fragrances, making it ideal for clean, low-odor results.

Where To Use

For light duty cleaning of:

- Glass, mirrors, chrome
- Painted surfaces
- Fiberglass

Features

- No Ammonia
- Non-Streaking
- Environmentally Responsible Choice

Directions

- 1 Dilution is preset. Dispense product into bottle.
- 2 Spray a fine mist onto entire surface to be cleaned.
- 3 Using a microfiber cleaning cloth wipe surface until dry.
- 4 Polish surface with a clean lint free cloth for streak free appearance.
