

# Super Mega Mop G

9565

## Description

This rinse-free, neutral damp mop concentrate is ideal for use with auto scrubbers and helps maintain high-gloss acrylic floor finishes without leaving a dulling film.

## Where To Use

For resilient and non-resilient floors in:

- Schools and offices
- Hospitals and medical centers
- Supermarkets and shopping centers

## Features

- Low foam
- Leaves no dulling film
- Environmentally responsible choice

## Directions

- 1 Dilution is preset. Dispense product into mop bucket or auto scrubber.
- 2 Apply to floor using a hand mop or floor machine with a soft pad.
- 3 Allow floor to air dry before allowing traffic.
