

Phoz Gel

Thickened Bowl & Tile Cleaner

RB 322

Description

This thick, clinging 20% phosphoric acid formula stays on vertical surfaces and holds to a bowl mop for targeted cleaning power. Its surfactant and acid blend cuts organic soils and dissolves mineral deposits, leaving fixtures sparkling and deodorized. When used as directed, it is suitable for most metals, porcelain, tile, and enamel.

Where To Use

For cleaning toilets and urinals in:

- Office buildings and hotels
- Schools and municipal institutions
- Any and all public restrooms

Features

- Thickened, mild acid formula
