

## MCT Drain Maitainer

SP 798

### Description

This bioactive blend breaks down organic solids such as grease, fats, proteins, and carbohydrates to eliminate malodors at the source. It is ideal for grease traps, septic systems, drain lines, refuse containers, and other areas where organic buildup causes persistent odor problems.

### Where To Use

Digestant / deoderant for:

- Grease traps, drains and down pipes
- Septic tanks and holding tanks
- Refuse containers

### Features

- Digests organic blockages
- Safe on plumbing
- Highly effective deodorant
