

## Cream Metal Polish

*Metal Polish & Sealer*

# 5643

### Description

This metal polish cleans, brightens, polishes, and protects metals for a restored, like-new appearance. It quickly removes tarnish, metal oxides, fingerprints, and soils, then leaves a protective seal to enhance shine and help protect the surface. Recommended for hand-cleaned metals including sterling silver, stainless steel, brass, copper, gold, bronze, and other soft metals.
